### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Kurt M. Berger (Reg. No. 51,461) on June 21, 2007.

3. The application has been amended as follows:

21. **(Currently Amended)** A computer program product having a ~~computer usable~~ stored on a computer storage medium for initializing a plurality of protocol objects associated with respective communication protocols used to extract status information related to a monitored device communicatively coupled to a network, comprising:

instructions for selecting a communication protocol among the respective communication protocols;

instructions for retrieving, from a first memory, information for accessing the device using the selected communication protocol;

instructions for accessing the device using the selected communication protocol and the information retrieved from the first memory to attempt to obtain vendor information related to the device;

Art Unit: 2155

instructions for determining whether the vendor information was obtained from the device;

instructions for, if the vendor information was obtained from the device instructions for accessing, (1) obtaining, from a second memory, support information for extracting the status information using each of the respective communication protocols, and (2) storing the vendor information and the respective support information in each protocol object of the plurality of protocol objects; and

instructions for, if the vendor information was not obtained from the device by the instructions for accessing, repeating the preceding instructions for another communication protocol of the respective communication protocols until the vendor information is obtained or until each communication protocol of the respective communication protocols has been selected.

***Allowable Subject Matter***

4. Claims 1-30 are allowable over prior art of record in light of applicants' amendments and arguments presented in Amendment After Non-Final Rejection filed April 12, 2007 and in light of the Examiner's Amendment.

5. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose, teach, or suggest neither singly nor in combination the claimed limitation of "if the vendor information was obtained from the device in the accessing step, (1) obtaining, from a second
